Newsletter

July 2017 Issue 4

Dear HDClarity Teams!

Thank you and congratulations to St Josef and Elisabeth Hospital, Bochum Germany who have successfully completed their SIV and are now open for recruitment!

Please contact UCL Central Coordination if you have any questions hdclarity-cc@enroll-hd.org

Senior Trials Coordinator: Gail Owen

Study Administrator: Stef Gosling

Recruitment and visits

! IMPORTANT: If you wish to re-screen your participant or if you have a failed sampling visit and intend to bring the participant back to try again then you must request approval from Dr Wild.

! IMPORTANT: if your participant does not meet any of the inclusion and/or exclusion criteria but your site PI considers it not clinically significant then a waiver must be requested from Dr Wild before you continue.

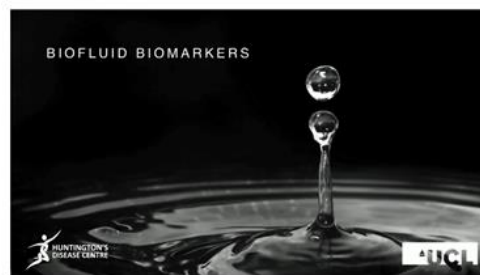

Site Payments

! IMPORTANT: Enter your data within 5 days of the visit and then sign off the whole visit in order for remote monitoring and site payment to take place.

Please follow the link to see Dr Wilds talk at the annual HD Therapeutics Conference April 2017
