Newsletter

June 2017 Issue 3

Dear HDClarity Teams!

Thank you and congratulations to John Hopkins University, Baltimore who have successfully completed their SIV this month and are now open for recruitment! Congratulations also to St. Josef und St. Elisabeth Hospital, Bochum who have completed their SIV and will soon be open for recruitment.

Please contact UCL Central Coordination if you have any questions hdclarity-cc@enroll-hd.org

Senior Trials Coordinator: Gail Owen

Study Administrator: Stef Gosling

Staff training and responsibilities

! REMINDER: UHDRS and PBA training must be kept up to date. Please ensure all motor raters complete an annual certification and all PBA raters carry out the assessments regularly or attend a PBA training session update.

Please provide us with current certificates and/or training dates

Sample Processing

Please refer to the lab manual and the 2 training videos for guidance on sample collection, processing, storage and shipment. Available on the EDC once you have your logins;

<https://studies.enroll-hd.org/platform>

! REMINDER: You must complete the sample shipment eCRF as soon as you have arranged sample shipment.
