December 2018 Issue 15

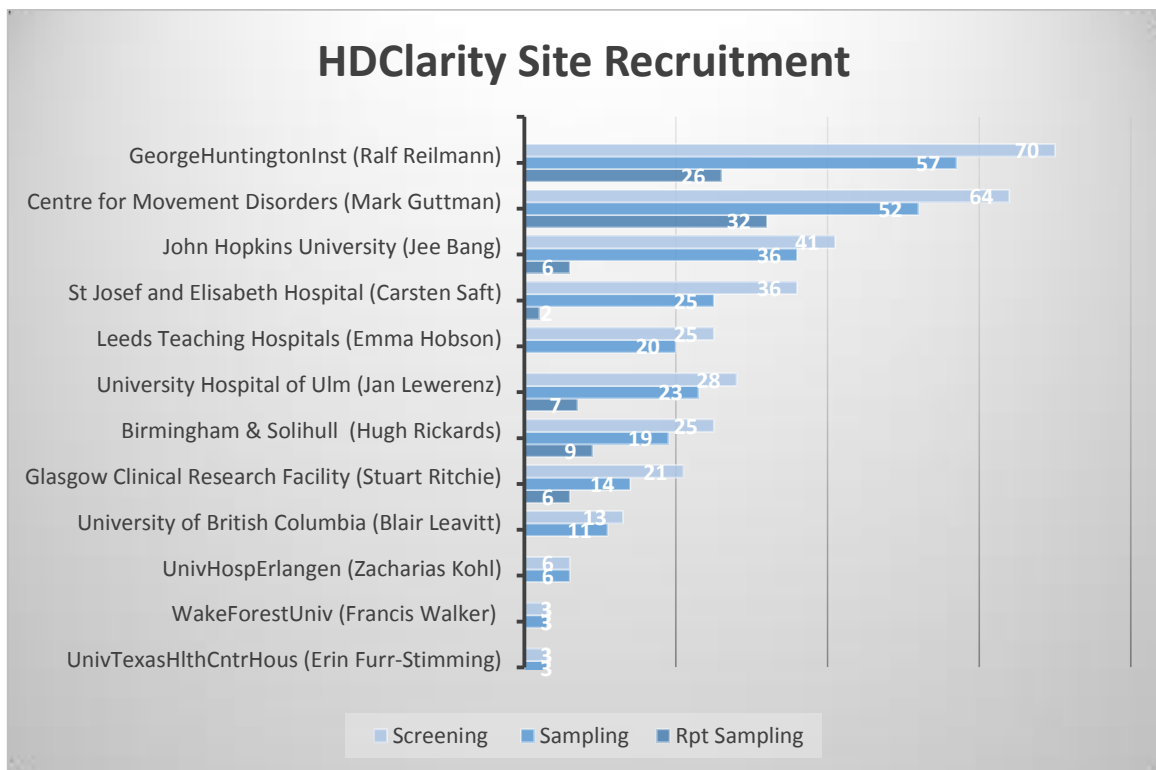

4 Nations Participating

13 Clinical Sites Worldwide

336 Participants

Dear HDClarity Teams!

Thank you to everyone for all of your hard work, we have now completed 269 sampling visits and 89 repeat sampling visits!

\*The chart reflects recruitment data of initiated sites extracted from the HDClarity EDC to date (04<sup>st</sup> Dec). Any data not yet entered on the EDC will not be shown here.

## Recruitment by HDClarity Category

Completed Initial Sampling Visits						
# Early Premanifest HD	# Late Premanifest HD	# Early Manifest HD	# Moderate Manifest HD	# Advanced Manifest HD	Controls	Total
36	61	97	9	10	56	269

### REMINDERS

- During data entry on the EDC please remember to click 'save' after updating any data entries or else the changes will be lost.
- If you do not see participants regularly (<1 participant per month), then please check and make a note of the biokit expiry dates. Please communicate to Central Coordination (CC) about any kits which will expire before you have a chance to use them.
- AEs must be reported to CC within 48 hours. If you are not able to add the AE to the EDC within this time then an email to CC within 48 hours will suffice ([hdclarity-cc@enroll-hd.org](mailto:hdclarity-cc@enroll-hd.org)). SAEs must be reported to CC within 24 hours.
- We are no longer recruiting early manifest HD participants or healthy control participants for optional repeat sampling visits.

Please contact UCL Central Coordination if you have any questions [hdclarity-cc@enroll-hd.org](mailto:hdclarity-cc@enroll-hd.org)

Clinical Trial Manager: Gail Owen

Study Coordinator: Stef Gosling

Study Administrator: Kat Schubert

*We would like to thank everyone for everything that you have done over the past 12 months.*

*Wishing you a happy holiday and a wonderful New Year!*
