February 2020 Issue 21

7 Nations Participating

24 Clinical Sites

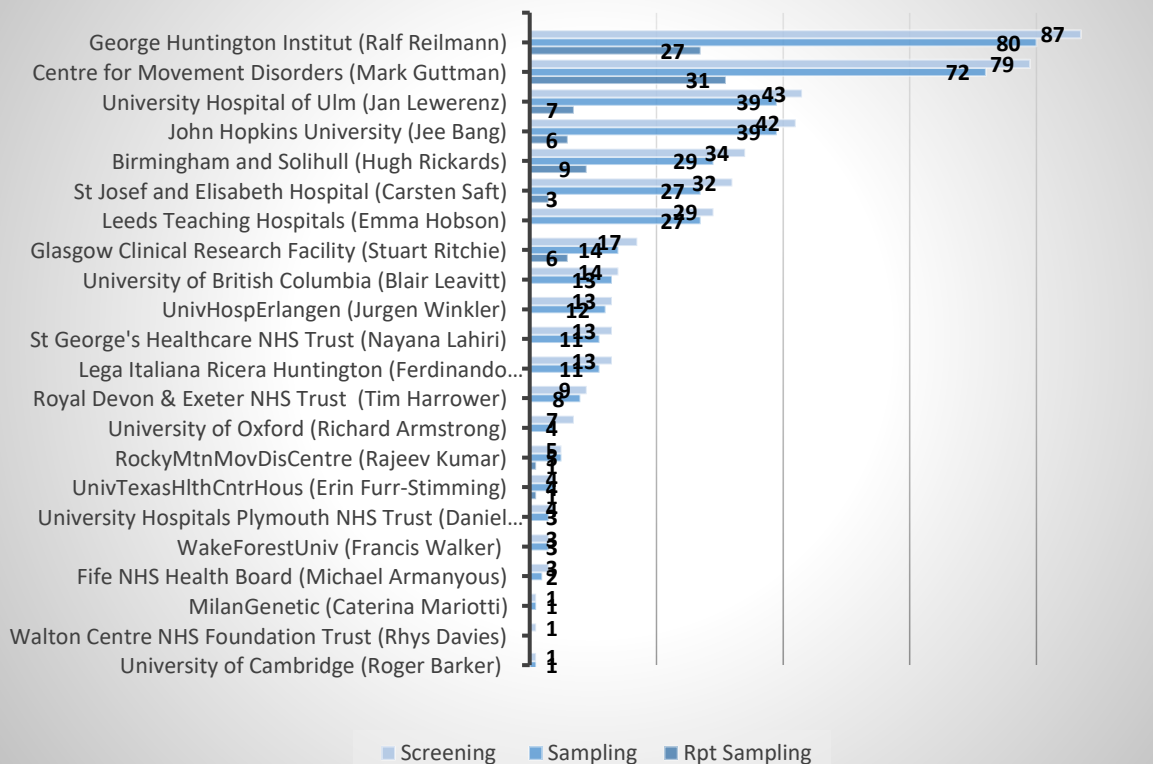

453 Participants Enrolled

Dear HDClarity Teams!

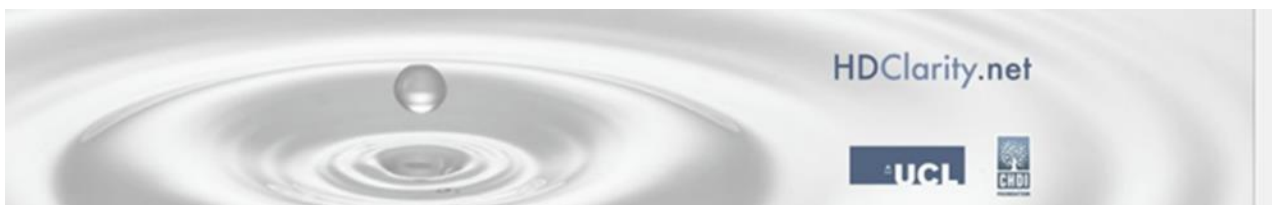

Thank you to everyone for all your hard work, you have now completed 404 sampling visits and 90 repeat sampling visits!

- Congratulations to The Walton Centre NHS Foundation Trust, Hospital de Sant Pau (Spain) and The Institute of Psychiatry and Neurology (Poland) for becoming our newest clinical sites. Welcome to HDClarity!!
- Congratulations to The Centre for Movement Disorders for recruiting the first longitudinal participants into HDClarity. Well done to the entire team in Toronto!!
- Congratulations to Istituto Neurologico Carlo Besta, Fife NHS Health Board and The Walton Centre NHS Foundation Trust, who have recruited their first participants into HDClarity. Thanks to all involved!!

HDClarity Site Recruitment

*The chart reflects recruitment data of initiated sites extracted from the HDClarity EDC to date (24th Feb 2020). Any data not yet entered on the EDC will not be shown here.
